

**INVESTING
BYNUMBERS**
SERVICES FOR FIDUCIARIES®

InvestingByNumbers

InvestingByNumbers provides consulting services to investment fiduciaries and other institutional clients related to the investment decision-making process.

We help clients create, implement, and monitor a well-managed investment program.

Our focus is on **PROCESS, DOCUMENTATION, and OVERSIGHT**, key components that drive successful outcomes and insulate organizations from potential liability.

Features

- ✓ Conduct study of existing investment program
- ✓ Practical application of investment standards
- ✓ Recommend actions compliant with industry norms
- ✓ Serve as an independent, objective “subject matter expert”

Benefits

- ✓ Repeatable investment process
- ✓ Better investment decisions
- ✓ Successful outcomes
- ✓ Insulation from potential future liability

Next Step

- ✓ Schedule an initial exploratory meeting to determine value to your organization
